### NOTES:

- Changes are possible in the frequency of buses during the day, at the beginning and at the end of service.
- During the winter season, most of the lines will begin service some 20-30 minutes later and service will end earlier between the hours of 18:00-19:30.
- Frequency of Line 63A will change in accordance with the beginning and end time of studies at Abu Dis University.
- There may be changes in the route depending on the barrier wall surrounding Jerusalem.
